

Memory Lane

Welcome to the working studio and art gallery Memory Lane. The gallery represents 10-12 artists, most from the surrounding North Georgia area. We are located next door to The Batesville General Store.

Memory Lane opened in 2014 and features paintings, fiber art, wood carvings, jewelry, rustic furniture, pottery, small quilted pieces, and a mix of vintage and antique furniture and decor.

On a daily basis you are welcome to stop in and chat with the owner, Gretchen Vanderbunt. You may meet one of the artists creating or chatting on the front porch.

Every October, The Batesville General Store and Memory Lane host the Batesville Fall Festival. The date for 2015 is Saturday, October 24, 10 am - 4 pm. Get in touch with us if you would like to be a vendor or if you are planning to attend.

Gallery Hours:

Mon, Tues, Wed: closed or by appointment only

Thursday, Friday, Saturday, Sunday: 10-4

Studio Hours: almost every day, 8-3 on the days we are closed. Call ahead if you think you may be stopping by.
